Summary

MCA graduate with hands-on experience in manual and automation testing using Selenium and Postman. Built real-world web and QA projects. Actively seeking a QA or Software Development role to contribute and grow in a dynamic tech environment.

Experience

Nethra Tech   Internship
Intern – Quality Assurance Intern   *June 2025 – Present*

- Performed manual testing on live projects; created test cases and bug reports and conducted automation testing using Selenium to validate core features.

Abhimo Technologies   Internship
Intern – Software Engineer Intern   *January 2025 – May 2025*

- Developed a responsive website using HTML, CSS, JavaScript, and React.js focusing on user experience.

Projects

HelloKopper – Website Testing | Manual Testing, Selenium, Postman

- Performed manual testing, wrote test cases, logged bugs, and ensured website quality through structured testing and automated key flows using Selenium and conducted API testing with Postman to validate backend services.

FundFlow – Crowdfunding Platform | React.js, Node.js, Express.js, MySQL

- Developed features for campaign creation, real-time donation tracking, and user feedback on a secure and user-friendly crowdfunding platform.

Education

Manipal Institute of Technology, Manipal
Master of Computer Application – MCA   *August 2023 – July 2025*

Skills

Programming Languages & Database: Java, Python, JavaScript, SQL, HTML5, CSS3, MySQL
Frameworks & Libraries: React.js, Node.js, Express.js, Selenium WebDriver, PyTest
Automation & Testing Tools: Selenium, Postman, Requests (Python), Manual Testing, Test Case Design, Regression Testing, API Testing, UI Testing
CI/CD & DevOps: Jenkins, Docker
Version Control: Git, GitHub
Design & Reporting Tools: Canva, Adobe Photoshop, Power BI, MS Excel (Pivot, VLOOKUP, Charts)
Other: Manual Testing, Test Case Design, Bug Reporting, Strong Debugging & Analytical Skills

Certifications

Building Test Automation Framework using Selenium and TestNG
Coursera   *July 2025*
Introduction to Front-End Development
Coursera   *October 2024*
